

MOBILE MAST

A rugged, forklift-accessible mounting platform designed for jobs that require elevated equipment without the hassle of permanent installation. Ideal for smaller to medium-sized sites with access to 120V power, it supports cameras, Starlink, access points, lights, and more. Built on an industrial-grade skid with a protective steel barrier, the mast can be placed, repositioned, and secured with ease—making it a cost-effective, no-dig solution for flexible site deployments. Whether used as a standalone mount or paired with Caprock's surveillance systems, it delivers secure elevation wherever you need it.

MOBILE

An industrial-grade skid featuring dual fork pockets and angled edges facilitates seamless mobility across sites

INDUSTRIAL-GRADE

Engineered with an industrial-grade build to withstand harsh environments and daily jobsite demands.

VERSATILE MOUNTING PLATFORM

Versatile mast for cameras, connectivity, and field equipment—no digging needed.

SPECIFICATIONS

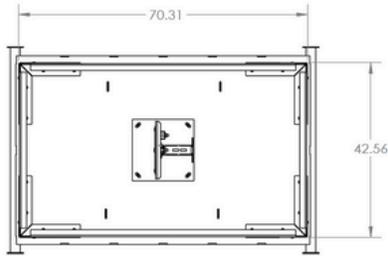

- 15' - 20" mast height
- Forklift Accessible Frame
- Heavy-Duty Steel Build
- Tamper-Resistant Design
- Versatile Mounting Capabilities
- No Groundwork Needed
- Stabilized Base Platform
- High-Visibility Reflective Tape

STOWED DIMENSIONS:

- Length: 80"
- Width: 51"
- Height: 151"
- Weight: 1,750 lbs.

DEPLOYED DIMENSIONS:

- Length: 80"
- Width: 78"
- Height: 180"
- Weight: 1,750 lbs.
